In addition to the above rules and regulations, the following shall also apply:</p>
<p>ITEM 10</p> <p align="center">EXPLANATION OF NUMBERS SHOWN IN CONNECTION WITH COMMODITY DESCRIPTIONS IN THIS TARIFF</p> <p>The two to seven digit numbers shown in parentheses following the commodity descriptions in this tariff have been assigned for computer sequence control and have no bearing on the rate applications on this tariff.</p>	<p>1. Carrier undertakes to carry goods of an explosive, flammable, combustible, radioactive, corrosive, damaging, noxious, hazardous, poisonous, oxidizing, injurious or dangerous nature (hereinafter "Goods) only upon Carrier's acceptance of prior written application by Shipper for the carriage of such Goods. Such application shall state:</p> <ol style="list-style-type: none"> a. The full name, address, and EPA number, if applicable, of the generator, each transporter, and the storage or disposal site of the Goods; b. The name, amount, type and classification of Goods to be shipped; c. A 24-hour emergency telephone contact in compliance with applicable laws and regulations; and d. Any special handling instructions for the Goods, so long as such instructions do not contravene federal, state and local laws or regulations. <p>2. Shipper shall undertake that all Goods transported shall conform to the requirements of the applicable tariffs, shall be accompanied by all required shipping documents, registrations and/or certificates, and shall be properly packaged, marked, labeled, and placarded as required by applicable federal, state and local laws and regulations, or by Carrier. The Goods shall be distinctly and permanently marked and manifested on the outside of the package(s), container(s), trailer(s) or railcar(s). Such Goods shall also be accompanied by hazardous waste manifests as required by applicable federal, state and local laws and regulations.</p> <p>In addition to manifests and other documentation with each request for transportation services, Shipper shall, upon Carrier's request, provide Carrier with accurate and descriptive chemical and physical data on the character of the Goods to be transported, prior to actual shipment.</p>
<p>ITEM 20</p> <p align="center">STATION LIST AND CONDITIONS</p> <p>This tariff is governed by the Official Railroad Station List OP SL 6000 Series, Railinc, Agent, to the extent shown below:</p> <p align="center">Prepay Requirement and Station Conditions</p> <p>For additions and abandonments of stations and, except as otherwise shown herein, for prepay requirements, changes in names of stations, restrictions as to acceptance or delivery of freight and changes in station facilities.</p> <p>When a station is abandoned as of date specified in the above named tariff, the rates from and to such station as published in the Tariff are inapplicable on and after that date.</p>	<p>(Continued on next page)</p>

<p>ITEM 30 Cont'd)</p> <p>DANGEROUS GOODS AND HAZARDOUS MATERIALS</p> <p>3. Shipper shall have the sole responsibility, at its sole expense, for properly packaging, labeling, marking, blocking, bracing, placarding, loading and unloading the Goods into and out of container(s) to be transported. Shipper shall comply with all applicable federal, state and local laws and regulations regarding loading, unloading and handling of the Goods. Shipper shall not load or unload Goods on Carrier's property, except when a separate agreement for such activity has been executed by Carrier and Shipper. Carrier shall advise Shipper of any defects in packaging, labeling, marking, blocking, bracing, placarding, loading and unloading the Goods of which it is aware, provided that the Carrier has no obligation to inspect for such defects.</p> <p>4. Carrier is a transporter only. In no event will Carrier ever take such action as would expose Carrier to liability as a generator or an operator of a storage or disposal facility under applicable federal, state and local laws and regulations. Therefore, Shipper warrants as follows:</p> <ul style="list-style-type: none"> a. That it is authorized to enter into contracts with other companies or governmental agencies to store or dispose of Goods at storage or disposal sites owned and/or operated either by Shipper or by other storage or disposal systems; b. That it has arranged for storage or disposal of the Goods in accordance with all applicable federal, state and local laws and regulations, and that Carrier has no obligation or responsibility to arrange for storage or disposal of Goods contained in any shipment; c. That the facilities it has selected, in its sole discretion, for storage or disposal of the Goods (Designated Facilities) are permitted storage or disposal facilities under all applicable federal state or local laws and regulations, and that Carrier has no obligation or responsibility to select or approve the Designated Facilities; and d. That is has and will maintain in effect all applicable federal, state and local permits and licenses required to operate Shipper's Designated Facilities, and when delivery is to a Designated Facility not owned or operated by Shipper, that it has selected such Designated Facility based on the fact that such Designated Facility has in effect all applicable federal, state and local permits and licenses required for operation. <p align="center">(Continued in next column)</p>	<p>ITEM 30 Cont'd)</p> <p>DANGEROUS GOODS AND HAZARDOUS MATERIALS</p> <p>5. If Carrier is unable to deliver the Goods to the Designated Facility, or to an alternate facility, if one has been designated by Shipper in the manifest and an emergency prevents delivery of the goods to the primary Designated Facility, Shipper must either designate another facility or instruct Carrier to return the Goods. Shipper warrants that any alternate facility it may designate satisfies all the terms of Paragraph 4, above. Shipper shall be liable for all costs incurred by Carrier in delivering the Goods to the alternate facility or in returning the goods to the Shipper. Shipper shall issue a new manifest for the alternate facility as required by applicable laws and regulations</p> <p>6. In the event of an incident, release, discharge or spill, Shipper will cooperate fully the Carrier as to all corrective and remedial action necessary to satisfy applicable federal, state and local laws and regulation, including cleanup, recontainment and disposal or retransportation.</p> <p>7. Shipper shall keep accurate records of shipments covered by this agreement for a period of three (3) years or that time period set by statute or regulation, whichever is longer, and Carrier or its authorized representative shall have access at all reasonable times to such records for the purpose of auditing and verifying performance of obligations hereunder and costs or charges for the performance of those obligations.</p> <p>8. Shipper shall defend, indemnify and hold harmless Carrier and its affiliated companies, their officers, agents, and employees, from and against any and all claims, demands, direct damages, losses, penalties or liabilities, including all attorney's fees, expenses and interest thereon at four points over the prime rate, to the extent such arise out of the Shippers's breach of its obligations under this ITEM 30, failure to comply with all applicable federal, state and local laws and regulations, Shipper's negligence or Shipper's willful misconduct.</p> <p>9. In the event Shipper used any railcar, container or trailer owned or supplied by Carrier, Shipper is obligated to clean and inspect that container or trailer and return it to Carrier in such a condition that it can be used to transport non-hazardous materials.</p> <p>ITEM 40</p> <p align="center">REFERENCE TO TARIFFS, ITEMS, NOTES AND RULES</p> <p>Where reference is made in this tariff to tariffs, items, notes, rules, etc., such references are continuous and include supplements to and successive issues of such tariffs and reissues of such items, notes, rules, etc.</p>

ITEM 3155 [I]			ITEM 4000 ROUTING INSTRUCTIONS A. The rates in this Tariff will apply only via the routes and junction points authorized except that, unless otherwise directed by the shipper, in the case of traffic congestion (not an embargo), water carrier's sailing schedule, washout, wreck, or similar emergency, or through carrier's error, carriers forward shipments via other junction points of the same carriers or via the lines or other carriers, the rate to apply will be that provided when routed via other junction points of the same carriers or via the lines of other carriers, but not higher than the rate applicable via the route of movement. B. Alaska Railroad Corporation, at its option, may transload shipments at Seattle, WA, and forward on a vessel not equipped to handle railcars, between Seattle, WA, and Anchorage or Seward, for interchange with the Alaska Railroad Corporation. Rates published in this Tariff will apply. C. In the event water carrier cannot accomplish delivery over routes provided, water carrier reserves the right, in lieu of forwarding shipments via alternate routes, to return shipment to Seattle, WA, or Whittier, AK, or other accessible port to shipper, after which any obligation of carrier to perform delivery shall be waived.
