SECTION 1	SECTION 1
<p align="center">RULES AND OTHER GOVERNING PROVISIONS GENERAL RULES AND REGULATIONS</p>	<p align="center">RULES AND OTHER GOVERNING PROVISIONS GENERAL RULES AND REGULATIONS</p>
<p>ITEM 30 Cont'd)</p> <p>DANGEROUS GOODS AND HAZARDOUS MATERIALS</p> <p>3. Shipper shall have the sole responsibility, at its sole expense, for properly packaging, labeling, marking, blocking, bracing, placarding, loading and unloading the Goods into and out of container(s) to be transported. Shipper shall comply with all applicable federal, state and local laws and regulations regarding loading, unloading and handling of the Goods. Shipper shall not load or unload Goods on Carrier's property, except when a separate agreement for such activity has been executed by Carrier and Shipper. Carrier shall advise Shipper of any defects in packaging, labeling, marking, blocking, bracing, placarding, loading and unloading the Goods of which it is aware, provided that the Carrier has no obligation to inspect for such defects.</p> <p>4. Carrier is a transporter only. In no event will Carrier ever take such action as would expose Carrier to liability as a generator or an operator of a storage or disposal facility under applicable federal, state and local laws and regulations. Therefore, Shipper warrants as follows:</p> <p>a. That it is authorized to enter into contracts with other companies or governmental agencies to store or dispose of Goods at storage or disposal sites owned and/or operated either by Shipper or by other storage or disposal systems;</p> <p>b. That it has arranged for storage or disposal of the Goods in accordance with all applicable federal, state and local laws and regulations, and that Carrier has no obligation or responsibility to arrange for storage or disposal of Goods contained in any shipment;</p> <p>c. That the facilities it has selected, in its sole discretion, for storage or disposal of the Goods (Designated Facilities) are permitted storage or disposal facilities under all applicable federal state or local laws and regulations, and that Carrier has no obligation or responsibility to select or approve the Designated Facilities; and</p> <p>d. That is has and will maintain in effect all applicable federal, state and local permits and licenses required to operate Shipper's Designated Facilities, and when delivery is to a Designated Facility not owned or operated by Shipper, that it has selected such Designated Facility based on the fact that such Designated Facility has in effect all applicable federal, state and local permits and licenses required for operation.</p> <p align="center">(Continued in next column)</p>	<p>ITEM 30 Cont'd)</p> <p>DANGEROUS GOODS AND HAZARDOUS MATERIALS</p> <p>5. If Carrier is unable to deliver the Goods to the Designated Facility, or to an alternate facility, if one has been designated by Shipper in the manifest and an emergency prevents delivery of the goods to the primary Designated Facility, Shipper must either designate another facility or instruct Carrier to return the Goods. Shipper warrants that any alternate facility it may designate satisfies all the terms of Paragraph 4, above. Shipper shall be liable for all costs incurred by Carrier in delivering the Goods to the alternate facility or in returning the goods to the Shipper. Shipper shall issue a new manifest for the alternate facility as required by applicable laws and regulations</p> <p>6. In the event of an incident, release, discharge or spill, Shipper will cooperate fully the Carrier as to all corrective and remedial action necessary to satisfy applicable federal, state and local laws and regulation, including cleanup, recontainment and disposal or retransportation.</p> <p>7. Shipper shall keep accurate records of shipments covered by this agreement for a period of three (3) years or that time period set by statute or regulation, whichever is longer, and Carrier or its authorized representative shall have access at all reasonable times to such records for the purpose of auditing and verifying performance of obligations hereunder and costs or charges for the performance of those obligations.</p> <p>8. Shipper shall defend, indemnify and hold harmless Carrier and its affiliated companies, their officers, agents, and employees, from and against any and all claims, demands, direct damages, losses, penalties or liabilities, including all attorney's fees, expenses and interest thereon at four points over the prime rate, to the extent such arise out of the Shippers's breach of its obligations under this ITEM 30, failure to comply with all applicable federal, state and local laws and regulations, Shipper's negligence or Shipper's willful misconduct.</p> <p>9. In the event Shipper used any railcar, container or trailer owned or supplied by Carrier, Shipper is obligated to clean and inspect that container or trailer and return it to Carrier in such a condition that it can be used to transport non-hazardous materials.</p> <p>ITEM 40</p> <p>REFERENCE TO TARIFFS, ITEMS, NOTES AND RULES</p> <p>Where reference is made in this tariff to tariffs, items, notes, rules, etc., such references are continuous and include supplements to and successive issues of such tariffs and reissues of such items, notes, rules, etc.</p>

SECTION 1	SECTION 1
<p align="center">RULES AND OTHER GOVERNING PROVISIONS GENERAL RULES AND REGULATIONS</p>	<p align="center">RULES AND OTHER GOVERNING PROVISIONS GENERAL RULES AND REGULATIONS</p>
<p>ITEM 50</p> <p align="center">TERMINAL AND OTHER CHARGES, PRIVILEGES AND ALLOWANCES</p> <p>Except as otherwise provided herein, shipments transported under this tariff are entitled to such privileges and subject to such charges as are published by individual lines providing for allowances, arbitraries, car mileage, crane service, demurrage, diversions, re-consignments, rental of special equipment, storage, switching, transfer and other transit and terminal service.</p> <p>Rates applicable From, To or Between Seattle, WA, and points in Alaska include all charges incident to placing cars aboard the barge or vessel at point of loading and removal of cars from the barge or vessel at point of discharge.</p> <p>EXCEPTION 1: Except as otherwise provided in individual rate items, rates named in this tariff will not apply on through shipments of commodities which have been accorded transit (See Note 1) prior to interchange with Alaska Railroad Corporation.</p> <p>Except as otherwise provided, shipments of commodities which have been accorded transit (See Note 1) prior to interchange with Alaska Railroad Corporation, will be accepted only when original shipment terminates at Seattle, WA, and a new Bill of Lading, constituting a new shipment, is issued, in which event only rates between Seattle, WA, and Alaska will apply. Through rates between Alaska and points beyond Seattle, WA, in the contiguous United States will not apply.</p> <p>NOTE 1: For the purpose of this ITEM, "transit" will mean transit operations including storage, either in or out of railcars, consolidating, or any process by which the commodity is handled out of and into cars through a transit house.</p>	<p>ITEM 80</p> <p align="center">CONSECUTIVE NUMBERS</p> <p>Where consecutive numbers are represented in the Tariff by the first and last numbers connected by the word "to" or a hyphen, they will be understood to include both numbers shown.</p> <p>If the first number only bears a reference mark, such reference mark also applies to the last number shown and to all numbers between the first and last numbers.</p>
<p>ITEM 60</p> <p align="center">PERISHABLE FREIGHT</p> <p>For Rates, Rules and Regulations governing the handling of perishable freight see ITEM 450 herein (Protective Service)</p>	<p>ITEM 90</p> <p align="center">CAPACITIES AND DIMENSIONS OF RAILCARS</p> <p>For marked capacities, lengths, dimensions and cubical capacities of railcars, see the Official Railway Equipment Register, RER 6414 Series, R.E.R. Publishing Corporation, Agent.</p>
<p>ITEM 70</p> <p align="center">TRANSFER BETWEEN CONNECTING CARRIERS</p> <p>Rates published herein include other transfer service at intermediate interchange points on shipments handled through and not stopped for special services at such intermediate interchange points.</p>	<p>ITEM 100</p> <p align="center">ALTERNATION-VARYING MINIMUM WEIGHTS</p> <p>When two or more Carload rates are provided in the same rate item for application on the same commodity from and to the same points, apply that rate which results in the lowest charge based upon the actual or authorized estimated weight of the shipment, but not less than the minimum weight published in connection with the rate used.</p>
<p>ISSUED: January 9, 2009</p>	<p>ITEM 110</p> <p align="center">CANCELLATION OF ORIGINAL AND REVISED PAGES</p> <p>When this tariff is amended by revised pages, the cancellation of prior pages, will be affected by means of this rule. A revised page will not show a cancellation notice except when a cancellation notice is necessary because of suspension, rejection, or other reasons. Revisions of each page will be published and filed in numerical sequence.</p> <p>Except where a specific cancellation is shown on a new revised page, a revised page cancels any and all uncanceled revised or original pages, or uncanceled portions thereof, which bear the same page number (SEE EXCEPTION).</p> <p>For Example: "1st Revised Page 6" will have the effect of canceling Original Page 6; "17th Revised Page 41" will have the effect of canceling 16th revised Page 41; "3rd Revised Page 72.1" will have the effect of canceling 2nd Revised page 72.1 and also 1st Revised Page 72.1 if the cancellation of 2nd Revised Page takes place on or before its effective date.</p> <p>EXCEPTION: When a specific cancellation on a prior revised page excepts a previously filed page wholly or in part, this rule does not have the effect of canceling such excepted, previously filed page or portion thereof.</p>

SECTION 1	SECTION 1
<p align="center">RULES AND OTHER GOVERNING PROVISIONS GENERAL RULES AND REGULATIONS</p>	<p align="center">RULES AND OTHER GOVERNING PROVISIONS GENERAL RULES AND REGULATIONS</p>
<p>ITEM 115 [A]</p> <p align="center">SHIPPING INSTRUCTIONS</p> <p>Proper shipping instructions are necessary for ARR to provide the correct transportation services and to invoice the appropriate rate. The Shipper is responsible for providing complete and accurate information on the shipping instructions and all shipments must be tendered with complete shipping instructions.</p> <p>ARR requires receipt of shipping instructions prior to shipment acceptance at an ARR facility or prior to dispatching empty equipment for ARR origin drayage. When delivering the equipment to an ARR facility, the drayman is required to provide the applicable:</p> <ul style="list-style-type: none"> Shipper Intermodal facility destination Hazardous commodity declaration and Emergency Response Guide numbers <p>When hazardous shipments are tendered to ARR all shipping instructions must be complete, including all the hazardous information or documentation, the actual hazardous commodity description and accurate applicable Emergency Response Guide numbers. Any type of FAK commodity description is prohibited for hazardous commodities.</p> <p>Shipments arriving at ARR facilities with incomplete, missing, or incorrect shipping instructions may be held at origin and or destination until complete and correct shipping instructions are provided to ARR. Detention and storage charges will be assessed at origin and /or destination for shipments that are delayed while shipping instructions are completed or corrected.</p> <p>If shipment arrives at an ARR facility without proper shipping instructions/documentation the Shipper should send the required shipping instruction/documentation via e-mail or fax to an ARR Customer Service Representative. Shipper must e-mail or fax complete documentation to an ARR Customer Service Representative prior to departure of equipment from ARR Facility. If an ARR Customer Support Representative or other ARR personnel is involved in changing/completing the shipping instruction/documentation a \$25.00, per document, charge will be assessed to the Shipper.</p>	<p>ITEM 120</p> <p align="center">COMMODITY RATES APPLICABLE FROM INTERMEDIATE POINTS</p> <p>Subject to the provisions of NOTES 1, 2, and 3 below, from any point of origin from which a commodity rate on a given article to a given destination and via a given route is not named in this tariff, which point is intermediate to a point from which a commodity rate on said article is published in this tariff via a route through the intermediate point over which such commodity rate applies to the same destination apply from such intermediate point to such destination and via such route the commodity rate in this tariff on said article from the next point beyond from which a commodity rate is published herein on that article to the same destination via the same route.</p> <p>NOTE 1: When by reason of branch or diverging lines, there are two or more "next beyond" points, apply the rate from the next point beyond (in this tariff) which on that article to the same destination via the same route results in the lowest charge.</p> <p>NOTE 2: If the intermediate point is located between two points from which commodity rates on the same route are published in this tariff, apply via that route from the intermediate point the rate from the next point either direction which results in the higher charge. In applying this note, if there are two or more next beyond points except the point from which the lowest charge is applicable.</p> <p>NOTE 3: If there is in any other tariff a commodity rate on the same article from the intermediate origin point applicable over the same route to the same destination, the provisions of this rule are not applicable from such intermediate origin point.</p>

SECTION 1	SECTION 1
RULES AND OTHER GOVERNING PROVISIONS GENERAL RULES AND REGULATIONS	RULES AND OTHER GOVERNING PROVISIONS GENERAL RULES AND REGULATIONS
<p>ITEM 470 (Cont'd)</p> <p style="text-align: center;">SPACE ALLOTMENT REQUEST TO COVER RAILCAR MOVEMENT</p> <p>Carriers do not agree to transport freight by any particular vessel or train or within any specified time, and the rates named herein are applicable only when the carriers have a suitable vessel sailing to or from the ports via which rates are named. If at any time, after having made a reasonable effort, a vessel is unable to make delivery of a shipment owing to bad weather conditions or for any other reason due to perils of the sea or other emergency, the obligations imposed upon the Carriers by the terms of this Tariff shall be considered fulfilled and delivery accomplished and the charges due at rates named herein shall be considered earned, after which the Carrier shall have the privileges of delivering shipment at the nearest accessible port, or returning goods to port of shipment or making delivery on a subsequent voyage and collecting at tariff rates for such additional service.</p>	<p>ITEM 480 (Cont'd)</p> <p style="text-align: center;">STOP-IN-TRANSIT FOR PARTIAL LOADING OR UNLOADING</p> <p>(f) Bills of Lading and waybills must show the stop point, point of placement, and party who is to partially load or unload. No notation is to be made on the Bill of Lading as to the portion of shipment to be loaded or unloaded at stop-off point except when shown for information only and covered by "shipper's load and count" notation.</p> <p>(g) When stopped for partial unloading, freight remaining in car a stop-off point must be properly braced and stowed by party doing the unloading to prevent loss and damage. No freight will be added or substituted for the original contents of the car.</p> <p>(h) On shipments consigned "to order," "order notify," or otherwise requiring surrender of document in advance of delivery, the necessary document must be surrendered to Freight Agent at destination before any part of shipment may be unloaded.</p> <p>(i) Carrier at stopover station shall be governed as follows:</p> <p style="margin-left: 40px;">a. Will not assist in unloading (See NOTE);</p> <p style="margin-left: 40px;">b. Will not make any check of property which is unloaded (See NOTE);</p> <p style="margin-left: 40px;">c. Will not accept or recognize any instruction from consignor requiring, as a condition precedent to delivery at stopover station, surrender or presentation of Bill of Lading, written order or any other document.</p> <p>NOTE: Except where unloading service is performed by carriers authorized in this tariff providing for such service.</p>
<p>ITEM NUMBER 480</p> <p style="text-align: center;">STOP-IN-TRANSIT FOR PARTIAL LOADING OR UNLOADING</p> <p>Except as otherwise provided, shipments subject to carload minimum weights, or actual weight if greater, received from one shipper at one point at one time for one consignee at one destination and covered by one bill of lading, may be stopped for partial loading or unloading subject to the rules, regulations, exceptions and charges provided in this Item:</p> <p>(a) Stopping for purpose of partial loading or unloading will not be permitted only provided such stop points are directly intermediate between the points via the regular direct route over which operations are generally conducted.</p> <p>(b) Stops for partial loading or unloading will not be allowed at stations designated for less than carload handling only.</p> <p>(c) The service of stopping for partial loading or unloading will be limited at each stop, including final delivery, to one placement at one site at one place.</p> <p>(d) Note more than three stops, exclusive of the first pick-up or final delivery at destination, will be permitted.</p> <p>(e) The per car charge for each stop shall be:</p> <p style="margin-left: 40px;">[!]\$228.05</p> <p style="text-align: center;">(Continued in next column)</p>	<p style="text-align: center;">ITEM 490</p> <p style="text-align: center;">STOWAGE</p> <p>The railroad cars in which the goods are loaded will be stowed and carried on deck while waterborne.</p>

SECTION 3			SECTION 4	
COMMODITY RATES - RAIL CAR FOR ROUTING APPLICATION, SEE SECTION 4 (Rates in dollars and cents per 100 lbs., except as noted)			ROUTING APPLICATION	
ITEM 3155 [I]			ITEM 4000 ROUTING INSTRUCTIONS A. The rates in this Tariff will apply only via the routes and junction points authorized except that, unless otherwise directed by the shipper, in the case of traffic congestion (not an embargo), water carrier's sailing schedule, washout, wreck, or similar emergency, or through carrier's error, carriers forward shipments via other junction points of the same carriers or via the lines or other carriers, the rate to apply will be that provided when routed via other junction points of the same carriers or via the lines of other carriers, but not higher than the rate applicable via the route of movement. B. Alaska Railroad Corporation, at its option, may transload shipments at Seattle, WA, and forward on a vessel not equipped to handle railcars, between Seattle, WA, and Anchorage or Seward, for interchange with the Alaska Railroad Corporation. Rates published in this Tariff will apply. C. In the event water carrier cannot accomplish delivery over routes provided, water carrier reserves the right, in lieu of forwarding shipments via alternate routes, to return shipment to Seattle, WA, or Whittier, AK, or other accessible port to shipper, after which any obligation of carrier to perform delivery shall be waived.
