EXEMPT RATE MEMORANDUM NO. 2-U

RULES AND REGULATIONS - GENERAL	RULES AND CHARGES
<p>ITEM 5</p> <p align="center">METHOD OF CANCELLING ITEMS</p> <p>As this memorandum is supplemented, numbered items with letter suffixes cancel correspondingly numbered items in the original tariff or in a prior supplement. Letter suffixes will be used in alphabetical sequences starting with A. Example: Item 100-A cancels Item 100 and Item 200-B cancels Item 200-A in a prior supplement which in turn cancelled Item 200.</p>	<p>ITEM 110</p> <p align="center">GENERAL APPLICATION</p> <p>The rules and charges in this memorandum apply to rail trailer-on-flatcar/container-on-flatcar (TOFC/COFC) transportation by rail of:</p> <ul style="list-style-type: none"> A. Any freight-laden highway truck, freight-laden trailer, or freight-laden semi trailer. B. The freight-laden container portion of any highway truck, trailer, or semi trailer having a demountable chassis. C. Any freight-laden multi-modal vehicle designed to operate both as a highway truck, trailer, or semi trailer and as a railcar. D. Any freight-laden intermodal container comparable in dimensions to a highway truck, trailer, or semi trailer and designed to be transported by more than one mode of transportation. E. Any of the foregoing types of equipment when empty and being transported incidental to its previous or subsequent use in TOFC/COFC service.
<p>ITEM 100</p> <p align="center">EXPLANATION FOR USE</p> <p>This memorandum sets forth the terms and conditions under which ARR will provide transportation of trailers and containers between specifically named intermodal ramp locations. Except as otherwise stated in specific items, service includes loading to rail car and unloading from rail car at respectively designated ramps.</p> <p>The provisions of this memorandum shall be incorporated by reference in a contract of carriage (Bill of Lading) executed by shipper and ARR for any transportation provided under this memorandum, and shall also be incorporated in all certificates, receipts, and other documents described within this memorandum.</p> <p>The ARR shall provide service under this memorandum as hirer only. The provisions of this memorandum and the transportation documents executed by shipper and ARR shall constitute the entire contract for transportation between the parties and any law relating to common carriers shall not apply. In the event the terms and conditions of such transportation documents conflict with those in this memorandum, the terms and conditions of this memorandum shall control.</p> <p>If any part, term, item or provision of this memorandum is held by a court or by any agency having or purporting to have jurisdiction over this memorandum or the shipper or ARR, to be unenforceable, such part, item, term or provision shall be considered severable from the rest of the memorandum.</p>	<p>ITEM 120</p> <p align="center">EQUIPMENT</p> <p>Units must be furnished by shipper which are suitable for mechanical lifting and conform to AAR design specifications. ARR will not be responsible for damage caused by mechanical loading to units that are not suitable for mechanical loading. Such units will be accepted at owner's risk.</p> <p>Trailers with sliding axels must have the axels slid before tendering for shipment. Trailers with rear drop axels must have the axels chained before tendering for shipment.</p>
	<p>ITEM 130</p> <p align="center">LOADING, BLOCKING & BRACING</p> <p>Shipper shall ensure that lading of vehicles is properly distributed, secured and blocked to withstand the normal shock and vibration of rail transportation, and to permit safe movement by rail. When not so loaded, ARR may reject the shipment or arrange for reloading of the unit by an agent of and at the expense of the shipper.</p> <p>Shipper shall ensure that shipments loaded to open top trailers are loaded, blocked, braced and secured in compliance with provisions of ARR's "TOFC Loading and Securement Manual."</p> <p>All shipments moved pursuant to the terms of this memorandum shall be packaged by shipper in accordance with the provisions of the Uniform Freight Classification UFC 6000-Series in effect on the date of shipment.</p>
<p>For explanation of Abbreviations and Reference Marks not explained herein, see last page of this tariff.</p>	

EXEMPT RATE MEMORANDUM NO. 2-U

RULES AND CHARGES	RULES AND CHARGES
<p>ITEM 140</p> <p align="center">LOSS OR DAMAGE TO LADING</p> <p>ARR shall only be liable for actual loss or damage as set forth in "49 USC 11706" for shipments made under this memorandum except for the following:</p> <p>ARR's liability shall not exceed \$50,000 per unit at charges named in, or otherwise governed by this memorandum. If shipment value exceeds \$50,000, consignor shall declare lading value and secure a special quote from ARR representative before tendering shipment. If consignor fails to comply, ARR's liability shall not exceed \$50,000. ARR's liability applies only to loss or damage while in ARR's control.</p> <p>If desired, consignor may request the ARR to provide a special quote for insurance on the declared value of TOFC/COFC consignment over \$50,000 per unit. This request must be made at least five business days prior to shipment in writing.</p> <p>By accepting this offer, consignor recognizes its options under "49 USC 10502(e)" to choose terms for liability and claims outlined in 49 USC 11706, and acknowledges that by accepting this contract, it has chosen to accept the rates and terms for liability outlined in this memorandum, as opposed to the full liability rates available in ARR's published tariffs. ARR is not liable for loss, damage or delay to lading caused by act or default of consignor, act of God, public enemy, authority of law, riots, strikes, vandalism, inherent nature of commodity, or occurring when shipment is not in ARR's possession. ARR shall not be liable for improper loading, blocking or bracing, securement, or lack of protective covering. Consignor is responsible for all damages, except that caused by ARR negligence. ARR shall not be responsible for damages of any type resulting from delay in transportation of the shipment, unless otherwise specified. ARR shall not be liable until it takes actual possession, and ARR's liability shall cease when it tenders possession to another railroad, drayman, consignee or others for further handling.</p> <p>ARR will not be responsible for any damages considered special or consequential damages including but not limited to lost profits and alternate transportation costs, nor will ARR be responsible for any damages caused by any act or omission of the shipper or consignee.</p> <p>Consignor shall indemnify ARR and assume all legal defense against any third-party claims for loss, damage, or injury including attorneys fees, for failure to comply with its obligations under this memorandum.</p> <p align="center">(Continued in next column)</p>	<p>ITEM 140 (Cont'd)</p> <p align="center">LOSS OR DAMAGE TO LADING</p> <p>Claims shall be filed in writing within nine (9) months of delivery date or reasonable time for delivery, and shall include copy of shipping order (Bill of Lading), invoice, inspection report, or other proof, and paid freight bill. ARR will not accept claims for less than \$250.</p> <hr/> <p>ITEM 145</p> <p align="center">SHIPPING INSTRUCTIONS</p> <p>Proper shipping instructions are necessary for ARR to provide the correct transportation services and to invoice the appropriate rate. The Shipper is responsible for providing complete and accurate information on the shipping instructions and all shipments must be tendered with complete shipping instructions.</p> <p>ARR requires receipt of shipping instructions prior to shipment acceptance at an ARR facility or prior to dispatching empty equipment for ARR origin drayage. When delivering the equipment to an ARR facility, the drayman is required to provide the applicable:</p> <ul style="list-style-type: none"> Shipper Intermodal facility destination Hazardous commodity declaration and Emergency Response Guide numbers <p>When hazardous shipments are tendered to ARR all shipping instructions must be complete, including all the hazardous information or documentation, the actual hazardous commodity description and accurate applicable Emergency Response Guide numbers. Any type of FAK commodity description is prohibited for hazardous commodities.</p> <p>Shipments arriving at ARR facilities with incomplete, missing, or incorrect shipping instructions may be held at origin and or destination until complete and correct shipping instructions are provided to ARR. Detention and storage charges will be assessed at origin and /or destination for shipments that are delayed while shipping instructions are completed or corrected.</p> <p>If shipment arrives at an ARR facility without proper shipping instructions/documentation the Shipper should send the required shipping instruction/documentation via e-mail or fax to an ARR Customer Service Representative. Shipper must e-mail or fax complete documentation to an ARR Customer Service Representative prior to departure of equipment from ARR Facility. If an ARR Customer Support Representative or other ARR personnel is involved in changing/completing the shipping instruction/documentation a \$25.00, per document, charge will be assessed to the Shipper.</p>

RULES AND CHARGES					
ITEM 150					
[] LOAD SPECIFICATION					
Without prior approval, shipments may not exceed the following size and weight limitations:					
Type of Unit	Minimums		Maximums		
	Length	Length	Width	Height	Gross Weight (lbs)
Semi Trailer	20'	30'	8' 6"	13' 6"	55,000
	30' 1"	53'	8' 6"	13' 6"	65,000
Intermodal Container	20'	30'	8' 6"	8' 6"	45,000
	30' 1"	53'	8' 6"	8' 6"	55,000
Subject to prior approval, shipments exceeding the above specifications, or which for any reason are unsuited for normal mechanical handling may be accepted and handled on a non-priority basis, subject to the following charges, which will be assessed separately and individually in addition to all other charges:					
A. All weight exceeding allowable gross weight (\$ per 100 pounds): \$3.05					
B. Shipments not suitable for normal mechanical handling, but suitable for rail ramp loading may be accepted at an additional per unit charge of: \$469.00					
C. Units of unusual size or dimension, or otherwise not suitable for vanlifter handling, but suitable for forklift handling may be accepted for shipment between Anchorage and Fairbanks, by prior arrangement only, at an additional per unit charge of: \$235.00					
D. When shipments exceed the maximum dimensions named in this item, the otherwise applicable Base Rate will be increased by the following percentages:					
Type of Over Dimensions	Increment of Over Dimensions		Arbitrary Rate		
Length	1 foot or fraction thereof		10%		
Height	1 foot or fraction thereof		10%		
Width	1 foot or fraction thereof		10%		
NOTE 1 : Oversize arbitrary charges will be assessed separately and individually for each increment and each type of Over Dimension, and in addition to all other charges.					
NOTE 2 - An additional charge will be assessed when oversized shipments necessitate a "10 MPH" or "Walking Speed" restriction. The shipper must contact the ARR Marketing Department for rates.					
(Continued in next column)					

RULES AND CHARGES	
ITEM 150 (Cont'd)	
[] LOAD SPECIFICATION	
ARR reserves the right, in its sole discretion, to refuse any unit for transportation under this memorandum. Approval and acceptance of overweight or oversized units is at the sole discretion of ARR's appropriate personnel, and entirely dependent upon the unit and time-specific circumstances, including price agreement. Such acceptance and approval shall in no way be construed as universal nor imply any waiver of other charges, rules, or limitations.	
For further information or to inquire regarding extraordinary service requirements, contact ARR's Marketing Department.	

ITEM 160	
[] ADDITIONAL CHARGES	
1. Except where more specifically provided in individual rate agreements, when shipments in the possession of ARR are discovered to be overweight or oversize, or to contain commodities named in Item 170, the following provisions will govern:	
A. When non-compliance is discovered after the shipment has been accepted by ARR at origin or point of interchange, shipper will be given the opportunity to correct or reload the shipment. Consignor and/or consignee may not transfer lading from one vehicle to another on ARR premises without approval of ARR terminal manager.	
B. When non-compliance is discovered en route, notification will be given the shipper, requesting disposition of the shipment. If within 48 hours after notice is given, the shipper fails or refuses to furnish instructions, ARR may take whatever steps it deems appropriate to safely move the shipment to destination or return it to origin at consignor's expense.	
C. When non-compliance is discovered at destination, notice of the non-compliance will be given the shipper or consignee that additional charges are due.	
D. ARR will charge the following accessorial and service charges in addition to all other applicable charges. These charges must be paid in full as advance charges prior to release of unit to consignee:	
1. Loading, re-loading, storage, detention, weighing, permitting and added transportation charges.	
2. Per unit service charge when non-compliance is discovered at:	
Origin	\$159.00
En Route	\$469.00
Destination	\$469.00
