

CANCELLATION OF LOOSE LEAF PAGES

When this Tariff or Sections of this Tariff are amended by Revised Pages, the cancellation of prior pages will be affected by means of this rule. (For revisions in Sections, see individual Section Check Sheets.) A revised page will not show a cancellation notice except when a cancellation notice is necessary because of suspension, rejection or other reason. Revisions of each page will be published and filed in numerical sequence.

Except where a specific cancellation is shown on a new revised page, a revised page cancels any and all uncanceled revised or original pages, or uncanceled portions thereof, which bear the same page number, SEE EXCEPTION. For example, 1st Revised Page 10 will have the effect of cancelling Original Page 10; 15th Revised Page 12 will have the effect of cancelling 14th Revised page 12; 13th Revised Page 15 will have the effect of cancelling 12th Revised Page 15 and also 11th Revised page 15 if the cancellation of 12th takes place on or before its effective date.

EXCEPTION: When a specific cancellation on a prior revised page excepts a previously filed page wholly or in part, this rule does not have the effect of cancelling such excepted previously filed page or portion thereof.
