ITEM 2090

TURN CAR SWITCHING

A charge equal to the intra-terminal switching rate per loaded or empty car will be assessed to the customer ordering a car turned. Turn car switching will be in addition to any other switching charges. If the car ordered to be turned is not at a station where turning facilities are available and must be moved out of route, then an additional inter-terminal switching charge will apply.

Turn car switching will only be performed where facilities are available and is at the convenience of CJR and shall be performed during the normal course of operations.

For explanation of abbreviations and reference marks not explained herein, see Item 99999, this tariff.
