FT CMR 4000

SECTION 1 SWITCHING RULES AND CHARGES	
ITEM 100	
APPLICATION	
This tariff provides a list of industries for which CMR will provide reciprocal switching to CN and at what rates such reciprocal switching will be performed. All rules and regulations governing switching contained in FT CMR 8000-series apply to switching as described herein.	
ITEM 110	
LIST OF INDUSTRIES OPEN TO RECIPROCAL SWITCHING	
The listed industries in this item are located on the CMR outside the St. Louis, MO Switching District as described in Item 2020, FT CMR 8000-series and are open to reciprocal switching in connection with CN.	
When changes in name or ownership occur in the customers listed in this item, this item will be corrected as soon as practical, but until such correction is made, the same charges, rules, and regulations will apply as for the industry previously using the same track.
