ITEM 280-A

SHIPMENTS OF EXCESS DIMENSIONS,
WEIGHT, ETC.

ITEM 285 (NEW)

SPECIAL SWITCHING SERVICE

Special Switching Service is a movement in other than normal service at the specific request of the shipper or consignee, or as may be required due to other conditions not permitted in normal operations.

The charge for special switching service will be a minimum of \$600 for the first four hours, plus \$150 for each additional hour or fraction thereof over four (4) hours but not exceeding eight (8) hours per occurrence, and will be in addition to all other charges associated with the movement.

The time for the purposes of these charges is to be calculated from the time the crew goes on duty until the crew goes off duty.

(The railroad reserves the right to restrict or modify any request for special switching service.)
