Additionally interest charges, as described in this item, will be assessed if returned check results in charges collected by ISRY outside of credit terms.</p> <p>ISRY shall not accept responsibility for failure by customer to provide purchase order numbers or similar customer internal documentation authorizing ISRY to provide services. ISRY shall attempt to provide customer with information used in customer's internal accounting processes but inability to provide requested information or the inability to comply with customer's internal documentation procedures will in no way remove customer's obligation to pay charges within credit terms assessed pursuant to applicable tariffs or contracts.</p> <p>Exception: All charges assessed to other railroads for switching and similar services will be collected according to the terms of applicable contracts and the Railway Accounting Rules.</p>	<p>ITEM 120</p> <p align="center">MILEAGE ALLOWANCE</p> <p>When loaded or empty private cars are handled by ISRY, mileage payments will not be allowed except by written agreement.
