#### LIST OF INDUSTRIES.

This list is published for the information and guidance of connecting lines and shippers. On account of frequent changes in names and locations of industries, this list does not at all times purport to be correct. This list includes the names of several firms and individuals who handle cars on private tracks designated opposite their names, only by virtue of permission from the owner or party controlling the track. It must be understood that the publication in this list of names of firms or individuals now enjoying such permission, does not accord them the right to such tracks in case the permission now granted is cancelled by the owner or party controlling.
