<p>ITEM 105</p> <p style="text-align: center;">USE OF SPECIAL EQUIPMENT IN CROSS-TOWN SWITCHING MOVEMENTS</p> <p>Rates or charges published in this tariff for application on intra-terminal, intra-plant, or inter-terminal switching service apply on shipments which are both loaded and unloaded within the same switching district, only when loaded in or on ordinary equipment. Ordinary equipment means:</p> <ol style="list-style-type: none"> 1. Box cars not exceeding 52 feet in length, inside measurement, but not including box cars of any length which are cushioned underframe, insulated or equipped with any type of loading devices. 2. Flat cars not exceeding 54 feet in length and having marked capacity not greater than 200,000 pounds, but not including flat cars of any length equipped with racks, frames, bulkheads, tie down devices, hoods or other appurtenances extending above the deck of the car, nor on special type flat cars with mechanical designations "FD", "FG", "FW", "FM", as listed under the heading of heavy capacity and special type flat cars in The Official Railway Equipment Register, RER 6413-series, issued by R.E.R. Publishing Corporation, Agent. 3. Gondola cars having marked capacity not greater than 200,000 pounds; but not including gondola cars of any length equipped with covers, hoods, containers or cradle floors. 4. Open top hopper cars not exceeding 60 feet in length, inside measurement, or having marked capacity not exceeding 286,000 pounds. 5. Cars other than described as ordinary equipment in Paragraphs 1 to 4 above, owned or leased by shipper or consignee. <p>When shipments that are both loaded and unloaded within the same switching district and loaded in cars that are other than ordinary equipment, the rate or charge published in this tariff for application to shipments loaded in ordinary equipment as described in Paragraphs 1 to 5 above will apply, plus \$340.00 per car. (See Notes 1, 2 and 3)</p> <p>Note 1 - Will not apply to shipments of Coal, Coke (the direct product of Coal), Grain (in covered hopper cars), Grain Products (in covered hopper cars), Iron Ore, or when special charges are in effect on heavy duty flat cars that bear mechanical designations "FG", "FW", "FM" or "FD".</p> <p>Note 2 - On joint line movements the foregoing charge of \$340.00 will be assessed only once regardless of the number of carriers used.</p> <p>Note 3 - Will not apply when special equipment is substituted by the carrier for ordinary equipment ordered by the shipper.</p>	<p>ITEM 110</p> <p style="text-align: center;">OVERSIZED SHIPMENTS - SPECIAL SWITCHING SERVICE</p> <p>Rates for an Oversized Shipment (also referred to as Dimensional Load) that is destined or will originate on the NOPB can be obtained by contacting the NOPB Business Development Department at 504-896-7415 or 7440. Dimensional load is classified as such under any of the following as loaded conditions:</p> <p>Width - Lading exceeds Eleven feet (11')</p> <p>Height - Lading exceeds Nineteen feet (19') A.T.R.</p> <p>Length - Lading exceeds regular Car length, or conversely 18 Ft. or less (concentrated load).</p> <p>Weight - Lading exceeds 200,000 lbs.</p> <p>General Application - Lading would be classified as dimensional by NOPB's connecting carriers (BNSF, CN, CSXT, KCS, NS, UP).</p> <p>Note 1 - The above dimensions are not in accordance with published clearances. The Shipper must seek advance clearance approval from the NOPB's connecting carriers. Refer to Item 100.</p> <p>Note 2 - The Public Belt, as the switch carrier, will conduct an AAR Rule 89 inspection and an Appendix D inspection, to the extent required by law and/or custom and practice, for compliance as to its line, and will accept the shipment once compliance has been confirmed. The connecting carrier, as the originating carrier, will conduct an AAR Rule 89 inspection and an Appendix D inspection, for compliance as to its line, and will accept the shipment once compliance has been confirmed. The Public Belt's inspection and acceptance of the shipment should in no way be deemed to be made on behalf of the connecting carrier. Once the inspector of the connecting carrier has accepted the shipment, switch services have been completed and delivery has been made to the connecting carrier, the Public Belt is relieved from responsibility for any damage to the shipment or caused by the shipment while on the connecting carrier's line or any other carrier's.</p>
<p>ITEM 115</p> <p style="text-align: center;">RATES APPLICABLE TO CARS TENDERED BY CONNECTING RAILROADS IN MULTIPLE UNITS</p> <p>Cars consigned to one receiver for placement at one unloading location, tendered to NOPB by the delivering carrier at the same time in blocked units (cars coupled to each other without intervening cars for other shippers or receivers that would require further switching), will be rated by Contractural Arrangements. Otherwise, Item 150 will apply.</p>	<p>ITEM 120</p> <p style="text-align: center;">DELIVERY ON PUBLIC DELIVERY (TEAM) AND OTHER TRACKS</p> <p>The NOPB will accept from its connections carload shipments to be switched for delivery on its public delivery (team) tracks, or to sidings, tracks or switches, within yard limits, except that tracks serving the public wharves and/or terminals are exclusively for delivery of cars to the water carriers to which wharf allotments have been specially assigned or leased by the Board of Commissioners of the Port of New Orleans.</p> <p>Public delivery (team) tracks are certain designated tracks set aside or assigned for the purpose of placing carload shipments thereon for unloading or for placing empty cars thereon for loading. Consignee or Shipper must have a NOPB fully executed release and indemnification form submitted to NOPB prior to use of Team Track.</p>

<p>RULE 8 CLAIMS</p> <p>No demurrage charges shall be collected under the rules provided in this Tariff for detention of cars through causes named in Section A of this Rule. Demurrage charges assessed or collected under such conditions shall be promptly cancelled or refunded by the New Orleans Public Belt Railroad.</p> <p style="text-align: center;">CAUSES</p> <p style="text-align: center;">SECTION A</p> <p>Weather interference, frozen or congealed lading, floods, earthquakes, hurricanes or tornadoes. (See Note) When any of the above conditions exist during the prescribed free time, forty-eight (48) hours for loading or unloading as the case may be, and it is impossible to employ men or teams in loading or unloading, or impossible to place freight in cars or move it from cars without serious injury to the freight, the free time shall be extended until a total of forty-eight (48) hours for loading or unloading as the case may be, free time from such interference shall have been allowed.</p> <p>Note: A consignor or consignee shall not be absolved from demurrage under Section A of this Rule if, considering the character of the freight, others similarly situated and under the same condition, reasonably could and did load or unload cars during the same period of time.</p> <p style="text-align: center;">SECTION B - Interference due to Strikes</p> <p>1. When, because of strikes, it is impossible for the consignor, consignee, or their agents, or anyone whose duty it is to do so, to load or unload (including partial loading or unloading) one or more of the cars placed on the tracks served by this carrier, or to receive inbound cars from or to make outbound cars available to this carrier, detention to cars on this carrier due to any of the above causes from the first 7:00 a.m., after such interference begins until the first 7:00 a.m. after such interference ceases, will be excluded in computing free time provided in Rule 2, and in computing charges provided in Rule 7 or in Rule 10. Such detention on loaded or empty cars will be charged for at the rate of [R]\$75.00 per car per day or fraction of a day, including Saturdays, Sundays and holidays (See Rule 3) and without free time allowance; provided the consignor, consignee, or their agents, presents claim in writing to this carrier within 30 days, exclusive of Saturdays, Sundays and holidays (See Rule 3), after the date on which interference ceased, stating the date and time such interference began and ceased.</p> <p>2. The detention of cars which otherwise would be subject to an average agreement (See Rule 10) will, during the period of interference set forth in Paragraph 1, be subject to the charge stated in Paragraph 1, and such cars will not, during that period, earn credits nor accrue debits, nor will it be permissible to offset the charge or any part thereof, accruing under Paragraph 1, by credits earned on the same car or other cars.</p>	<p>RULE 8 (Cont'd.) CLAIMS</p> <p>3. On cars subject to an average agreement (See Rule 10), the entire detention, computed under the applicable provisions of Rule 3, both before and after period of interference, set forth in Paragraph 1, will be consolidated into one period of detention subject to the provisions of rule 10.</p> <p>4. On cars not subject to an average agreement, the entire detention will be computed and consolidated as provided in Paragraph 3, and from the total of that period of detention which is not chargeable under Paragraph 1, there will be deducted the prescribed free time (See Rule 2) and proper allowance for other causes (named in Section A of this Rule 8), after which demurrage will be charged for the remainder of the detention as provided in Rule 7, Section A.</p> <p style="text-align: center;">SECTION C - Claims</p> <p>Except as otherwise provided under this Rule 8, NOPB will only grant relief from demurrage when causes for the delays in actual placement are directly attributable to itself. After cars are constructively placed under Rule 4, consignee shall be allowed such additional free time as the consignee would have been entitled to had the cars been timely placed.</p>

CAR DEMURRAGE RULES AND CHARGES ON EXPORT,
IMPORT, INTERCOASTAL AND COASTWISE TRAFFIC
AT NEW ORLEAS, LA

RULE 10 (Cont'd.) AVERAGE AGREEMENT

AGREEMENT

SECTION E

New Orleans Public Belt Railroad.

Being fully acquainted with the terms, conditions and effect of the average basis for settling for detention to cars, as set forth in Tariff NOPB 8003-C, supplements thereto or successive issues thereof containing demurrage rules governing on tracks of the New Orleans Public Belt Railroad, and being desirous of availing (myself or ourselves) of this alternate method of settlement, (I or we) do expressly agree to and with the New Orleans Public Belt Railroad that with respect to all cars which may, during the continuance of this agreement, be handled for (my or our) account on tracks of the New Orleans Public Belt Railroad, (I or we) will fully observe and comply with all the terms and conditions of said rules as they are now published, or may hereafter be lawfully modified by duly published tariffs, and will make prompt payment of all demurrage charges accruing thereunder in accordance with the average basis as therein established or as hereafter lawfully modified by duly published tariffs.

This Agreement to be effective on and after the _____ day of _____, 20____, and to continue until termination, by written notice from either party to the other, which notice shall become effective on the first day of the month succeeding that in which it is given, except that for any failure or refusal to pay charges lawfully accruing under this Agreement, it may be terminated as of the date of written notice of termination.

Approved and accepted _____ 20____, by and on behalf of the above named railroad by _____.

For explanation of abbreviations and reference marks not explained herein, see Item 9999, this tariff.
