<p align="center">RULES AND OTHER GOVERNING PROVISIONS RULES AND REGULATIONS - GENERAL</p>	<p align="center">RULES AND OTHER GOVERNING PROVISIONS RULES AND REGULATIONS - GENERAL</p>
<p>ITEM 1</p> <p align="center">CANCELLATION NOTICE</p> <p>Freight Tariff SCIH 8000-G cancels Freight Tariff SCIH 8000-F in its entirety. Provisions formerly shown in Freight Tariff SCIH 8000-F and not brought forward in Freight Tariff FT SCIH 8000-G are hereby canceled.</p>	<p>ITEM 90</p> <p align="center">TOFC/COFC SERVICE</p> <ol style="list-style-type: none"> Trailers or containers on a flat car, TOFC or COFC, will be considered a loaded freight car for revenue billing purposes whether the trailer or container is loaded or empty. When flat cars are coupled in an articulated fashion, each platform of the articulated equipment will be considered as separate car for revenue billing purposes.
<p>ITEM 15</p> <p align="center">EXPLOSIVES, DANGEROUS ARTICLES</p> <p>For rules and regulations governing the transportation of Explosives and other dangerous articles by freight, also specifications for shipping containers and restrictions governing the acceptance and transportation of explosives and other dangerous articles, see Bureau of Explosives Tariff, BOE 6000 series.</p>	
<p>ITEM 20</p> <p align="center">REFERENCE TO TARIFFS, ITEMS, NOTES, RULES, ETC.</p> <ol style="list-style-type: none"> Where reference is made in this tariff to tariffs, items, notes, rules, etc., such references are continuous and include supplements to and successive issues of such tariff, and reissues of such items, notes, rules, etc. Where reference is made in this tariff to another tariff by number, such reference applies also to such tariff to the extent it may be applicable on intrastate traffic. 	
<p>ITEM 40</p> <p align="center">CONSECUTIVE NUMBERS</p> <p>Where consecutive numbers are represented in this tariff by the first and last number connected by the word "to" or a hyphen, they will be understood to include both of the numbers shown. If the first number only bears a reference mark, such reference mark also applies to the last number shown and to all numbers between the first and last numbers.</p>	
<p>ITEM 45</p> <p align="center">CAPACITIES, LENGTHS AND DIMENSIONS OF CARS</p> <p>For marked capacities, lengths, dimensions and cubical capacities of cars, see the Official Railway Equipment Register, issued by R. E. R. Publishing Corporation, Agent.</p>	
<p>ITEM 75</p> <p align="center">METHOD OF CANCELING ITEMS</p> <p>As this tariff is supplemented, numbered items with lettered suffixes cancel corresponding numbered items in the original tariff or in a prior supplement. Letter suffixes will be used in alphabetical sequence starting with A. Example: Item 445-A cancels Item 445 and Item 365-B cancels Item 365-A in a prior supplement, which in turn canceled item 365.</p>	
<p>For explanation of terms, abbreviations and reference marks, see last page of tariff.</p>

<p align="center">RULES AND OTHER GOVERNING PROVISIONS RULES AND REGULATIONS - UNLIMITED</p>	<p align="center">RULES AND OTHER GOVERNING PROVISIONS RULES AND REGULATIONS - UNLIMITED</p>
<p>ITEM 110</p> <p align="center">BILLING, CARLOAD SHIPMENTS</p> <p>All cars received from connecting lines must be accompanied by specific billing instructions, billing for loaded cars must give original points of shipment, name of consignor, and if shipment has been transferred in route, the original car number must be shown.</p>	<p>ITEM 125</p> <p align="center">CHARGES ON CARS RECEIVED IN ERROR</p> <p>When a car, loaded or empty, is received from a connecting line and must be classified to a hold track for any of the following reasons, a \$120.00 penalty charge will be assessed against the delivering carrier.</p> <ol style="list-style-type: none"> 1. Cars without necessary data for forwarding. (See Note) 2. Cars delivered to a road not in the waybill routing. 3. Cars delivered with incorrect load/empty status or cars that missed stop-off. 4. Empty cars delivered in violation of Car Service Rule 5. Special Car Orders or Directives. <p>An additional charge of \$29.00 will be assessed against the delivering carrier for each day or fraction thereof that a railroad owned car for which the South Chicago & Indiana Harbor Railway Company is responsible to car owner for car hire charges is held from the first 12:01 A.M. following telephone or telegraphic notification until disposition is furnished by the delivering carrier plus a maximum of two additional days if required to deliver the car to a road within the Chicago Switching District.</p> <p>When an intermediate switching carrier is used in disposing of subject cars, intermediate switching charges and all additional charges except those for which the South Chicago & Indiana Harbor Railway Company is directly responsible, will be paid by the erring railroad.</p> <p>Note: The character of necessary data will be determined by the SCIH, in accordance with the conditions of its service.</p>
<p>ITEM 115</p> <p align="center">CARS, BILLED "TO ORDER, NOTIFY"</p> <p>Cars will not be accepted under this tariff for delivery on the South Chicago & Indiana Harbor Railway Company, if billed "To Order, Notify".</p>	<p>ITEM 130</p> <p align="center">CARS HELD FOR ORDERS</p> <p>When a loaded car, without forwarding directions is ordered and moved from an industry track or is placed on and moved from an industrial interchange track to the track of the South Chicago & Indiana Harbor Railway Company and is subsequently switched to the hold track to await forwarding directions, a charge of \$190.00 per car will be assessed against the industry originating the loaded car.</p>
<p>ITEM 120</p> <p align="center">CARS, OVERLOADED</p> <p>Cars with maximum "Load Limit" markings must not be loaded in excess of such maximum. The loading of cars not so marked is limited to 10 percent above marked capacity except that maximum "Load Limit" (when known) should be observed. (See Note)</p> <p>Note: "Maximum Load Limit" is the difference between total weight allowable on rail and light weight of car and is the maximum weight permissible in or on car, including weight of lading, temporary rack, hooks, fastenings, stakes, false floors, bracing, blocking, grain doors, cooperage, other characters of dunnage or bracing and/or refrigeration, heating, loading or unloading equipment, and all material required for such purposes.</p> <p>When it is discovered that car is loaded in excess of above restrictions, the car will be returned to the consignor and a charge of \$182.00 will be made.</p>	<p>ITEM 135</p> <p align="center">CHANGES AND NEW INDUSTRIES</p> <p>When changes occur in the firms using industry tracks, tariff will be corrected as soon as practicable, but until such correction is made, the same charge will be applied as named for the industry previously using the same track, and in case of location of new industry, if switching service has been arranged for by the operating department, and the cars are ordered for movement before the tariff has been amended, the charge to be made will be that named in the tariff for adjoining industry in the same district.</p>
<p>For explanation of terms, abbreviations and reference marks, see last page of tariff.</p>

<p align="center">RULES AND OTHER GOVERNING PROVISIONS RULES AND REGULATIONS - UNLIMITED</p>	<p align="center">RULES AND OTHER GOVERNING PROVISIONS RULES AND REGULATIONS - UNLIMITED</p>
<p>ITEM 140</p> <p align="center">CHARGES, PREPAYMENT OF</p> <p>The South Chicago & Indiana Harbor Railway Company will not receive cars from connecting lines with charges collect. All charges must be fully prepaid.</p>	<p>ITEM 160</p> <p align="center">LOADED AND EMPTY CARS, HANDLED VIA INTERMEDIATE CARRIER</p> <p>On loaded cars originating at points outside the Chicago Switching District received from other railroads, via the Baltimore & Ohio Chicago Terminal Railroad Company or any other line performing the intermediate switching service, the switching charge of such line, for the return of the empty car, will be collected from the line haul carrier in addition to the charge of the South Chicago & Indiana Harbor Railway Company as per tariffs lawfully issued.</p> <p>On loaded cars destined to points outside the Chicago Switching District delivered to other railroads, via the Baltimore & Ohio Chicago Terminal Railroad Company or any other line performing the intermediate switching service, the South Chicago & Indiana Harbor Railway Company will only collect its charges from the line haul carrier as per tariffs lawfully issued.</p>
<p>ITEM 145</p> <p align="center">DEMURRAGE AND STORAGE</p> <p>Freight transported under this tariff, in addition to the rate named herein, will be subject to all rules and regulations providing for assessment of demurrage and storage charges as are contained in Freight Tariff SCIH 6000-Series.</p>	<p>ITEM 165</p> <p align="center">EMPTY CARS, UNFIT FOR LOADING</p> <p>Empty cars furnished on orders for return loading and subsequently:</p> <ol style="list-style-type: none"> 1. Rejected by the shipper, account unsuitable for loading as specified when ordered; 2. Refused, account cancellation of order; 3. Refused, account other causes for which railroads are responsible; 4. Refused, account not ordered; <p>will be returned to the railroad furnishing the car or the car owner for which a charge of \$156.00 per car will be made against the railroad furnishing the car.</p> <p>An additional charge of \$28.00 will be assessed for each day or fraction thereof that a railroad owned car for which the South Chicago & Indiana Harbor Railway Company is responsible to car owner for car hire charges is held on the South Chicago & Indiana Harbor Railway Company for the time accrued from receipt of car to its return.</p>
<p>ITEM 150</p> <p align="center">DIMENSIONAL SHIPMENTS</p> <p>(a) Shipments originating at industries served by the South Chicago & Indiana Harbor Railway Company which because of excessive weight, height, width or other unusual characteristics or which require dimensional clearances via the route of movement and/or special blocking as required by AAR Loading Rules will be handled to the immediate connecting line at a charge of \$690.00.</p> <p>(b) All special loading charges, use charges or special detention charges for flat cars bearing mechanical designations "FG", "FW", "FM" and "FD" as named in Rule 21 of the Official Railway Equipment Register, R. E. R. Publishing Corporation, Agent, or in individual tariffs of the line haul carriers will be in addition to the charge provided in Paragraph (a) and will be collected by the line haul carrier and/or the car owner.</p>	
<p>ITEM 155 [C]</p> <p align="center">EMPTY CARS</p> <p>(a) When an empty car is received from a connecting line for loading by an industry and such industry refuses to accept the car or accepts the car and fails to return it under load, a charge of \$156.00 will be made for handling the car to any connecting line shown herein.</p> <p>(b) When an empty car is received from a connecting line for loading by an industry and the industry routes such car via a route that excludes the connecting line furnishing the car from participating in the route and/or line haul revenue, industry will be assessed a charge of \$55.00 per car. [A]</p>	<p>For explanation of terms, abbreviations and reference marks, see last page of tariff.</p>

FT SCIH 8000-G

<p align="center">RULES AND OTHER GOVERNING PROVISIONS RULES AND REGULATIONS-UNLIMITED</p>	<p align="center">RULES AND OTHER GOVERNING PROVISIONS RULES AND REGULATIONS - UNLIMITED</p>
<p>ITEM 170</p> <p align="center">LOADED CARS REFUSED, RETURNED</p> <p>Loaded cars refused by a connecting line or consignee will be returned to consignor or connecting line at the tariff rate applicable to a new shipment.</p> <p>If loaded cars are refused by consignee and are returned to hold track, a charge of \$190.00 per car will be assessed for the movement from hold track to a consignee or consignor located on the tracks of the South Chicago & Indiana Harbor Railway Company. When loaded cars are released by an industry and pulled from the industry or industrial interchange tracks and are subsequently ordered return to the industry or industrial interchange tracks at the request of the shipper, a charge of \$190.00 per car will be assessed for the entire transportation service from the industry or industrial interchange tracks and subsequent return.</p>	<p>ITEM 190</p> <p align="center">RECONSIGNMENT OR DIVERSION</p> <p>When a change in consignee and/or destination is desired, the South Chicago & Indiana Harbor Railway Company will accept orders for reconsignment or diversion of loaded cars in its possession when such orders are received prior to delivery to the original consignee, charging \$88.00 for such reconsignment in addition to regular switching charge.</p>
<p>ITEM 175</p> <p align="center">LOADED CARS, TRANSFER OR ADJUSTMENT OF LADING</p> <p>When a railroad owned car for which the South Chicago & Indiana Harbor Railway Company is responsible to car owner for car hire charges is held for transfer or adjustment of lading, the South Chicago & Indiana Harbor Railway Company will assess a charge of \$28.00 per day for each day or fraction thereof car is held from date of receipt to date load transfer or lading adjustment is completed.</p> <p>If lading is transferred to another car, the South Chicago & Indiana Harbor Railway Company will assess a charge on the second car of \$28.00 per day for each day or fraction thereof car is used from date transfer commenced to date completed.</p>	<p>ITEM 195</p> <p align="center">CHARGE FOR SPECIAL EQUIPMENT</p> <p>Except as otherwise provided in this tariff, as amended, when shipments are loaded in the following types of carrier owned equipment an additional charge of \$195.00 per car used will apply. This charge will be in addition to the rates or charges that apply in intra-plant or intra-terminal switching service when cars are both loaded and unloaded at stations within the confines of this tariff, as amended (See Exceptions).</p> <ol style="list-style-type: none"> Box cars exceeding 52 feet in length, inside measurement and box cars of any length which are cushioned underframe, insulated or equipped with any type of loading device or XF cars. Gondola cars having marked capacity greater than 200,000 lbs. and also gondola cars of any length equipped with covers, hoods or containers. On movements of ferrous scrap, this provision will not apply when gondola cars as described herein are furnished at carriers' convenience in lieu of ordinary gondola cars ordered by shipper. Open top hopper cars exceeding 60 feet in length, inside measurement, or having marked capacity exceeding 180,000 pounds. Covered hopper cars exceeding 2100 cubic feet capacity. <p>EXCEPTIONS - The above provisions will not apply:</p> <ol style="list-style-type: none"> On Coal, Coke or from Ore. In connection with Item 205. On shipments in gondola cars having a marked capacity greater than 200,000 lbs. where cars are loaded to not less than 140,000 lbs., or when freight charges will apply to such shipments in intra-plant movements.
<p>ITEM 180</p> <p align="center">PERISHABLE FREIGHT</p> <p>Perishable freight under refrigeration will be accepted from connecting lines for delivery to consignee located on the South Chicago & Indiana Harbor Railway Company with the understanding that protective service is not provided.</p>	
<p>ITEM 185</p> <p align="center">PRIVATE SIDINGS, USE OF</p> <p>The rates named herein, to or from industries with private sidings listed in this tariff, will also apply on traffic for other parties using such facilities for traffic connected with the business of the party listed as having a private siding.</p>	
<p>For explanation of terms, abbreviations and reference marks, see last page of tariff.</p>
