

SABINE RIVER & NORTHERN RAILROAD COMPANY

FREIGHT TARIFF SRN 8000

NAMING RULES AND CHARGES GOVERNING POOL ASSIGNED CARS

APPLICATION

When SRN loaded pool assigned car reaches its destination and:

(1) car is unloaded and customer loads car for shipment rather than returning empty car via reverse route of inbound load to origin station Mulford, TX / home road SRN, the SRN will assess customer a charge of \$2,000.00 per car;

or

(2) car is unloaded and released empty, but not returned to origin station Mulford, TX / home road SRN via reverse route of inbound load, the SRN will assess carrier to whom car is released a charge of \$2,000.00 per car.
