<b>ITEM 12</b>		<b>ITEM 17</b> [1]	
<b>SWITCHING LIMITS AT ST. LOUIS, MO</b>		<b>USE OF SPECIAL EQUIPMENT IN CROSS-TOWN SWITCHING MOVEMENTS</b>	
<b>NAME OF ROAD</b>	<b>LIMITS</b>	(Applicable only at points in Missouri)	
Burlington Northern & Santa Fe Railroad Co.	St. Louis, including line service the St. Louis Water Works, Chain of Rocks Plant, to Larimore, MO, inclusive. St. Louis, MO (Ewing Ave) to Valley Park, MO (Mile Post 18.9) and South on River Division to Lemay, MO (Mile Post 19.8), both inclusive.	Rates or charges published in this tariff for application on intra-plant, intra-terminal or inter-terminal switching service apply to shipments which are both loaded and unloaded only when loaded in or on ordinary equipment. Ordinary equipment means:	
Norfolk Southern Railway Corp.	St. Louis through Baden, MO to foot of East approach of Missouri River Bridge (.4 mile west of Mile Post 21), inclusive.	<ol style="list-style-type: none"> <li>Box cars not exceeding 52 feet in length, inside measurement, but not including box cars of any length which are cushioned underframe, insulated or equipped with any type of loading devices.</li> <li>Flat cars not exceeding 54 feet in length and having marked capacity not greater than 180,000 pounds; but not including flat cars of any length equipped with racks, frames, bulkheads, tie down devices, hoods or other appurtenances extending above the deck of the car, nor on special type flat cars with mechanical designations "FD," "FG," "FW," and "FM" as listed under the heading of heavy capacity and special type flat cars in the Official Railway Equipment Register, RER 6414-Series or reissues.</li> <li>Gondola cars having marked capacity not greater than 180,000 pounds; but not including gondola cars of any length equipped with covers, hoods, containers or cradle floors.</li> <li>Open to hopper cars not exceeding 60 feet in length, inside measurement, or having marked capacity not exceeding 180,000 pounds.</li> <li>Cars other than described as ordinary equipment in Paragraphs 1 to 4 above, owned or leased by shipper or consignee.</li> </ol>	
Terminal Railroad Association of St. Louis	Entire Line.	When shipments that are both loaded and unloaded are loaded in cars that are other than ordinary equipment, the rate or charge to apply will be the rate or charge published in this tariff for application to shipments loaded in ordinary equipment as described in Paragraphs 1 to 5 above (See Exceptions) plus \$185.00 per car. On joint line movement, the foregoing charge will be assessed only once regardless of the number of carriers used and will be divided: \$90.00 for each carrier when two carriers are involved and \$60.00 per carrier when three carriers perform the switching service.	
Union Pacific Railroad Corp.	Main Line West from St. Louis to Valley Park, MO.; Lake Line, to but not including, Matco, MO; Main Line South from St. Louis, MO; and including Jefferson Barracks, MO; all points on the Carondelet Line. Rock Island Junction to Vigus, MO, Inclusive except on Coal Rate District 28, Lackland to Olive Street Road.	EXCEPTION 1 - The provisions of this paragraph will not apply to a movement of a car from one location to another to complete loading for immediate outbound road-haul movement under a line haul rate or from one location to another to complete unloading of a car that has just terminated an inbound road-haul movement under a line-haul rate, provided billing covering the switching movement contains a notation by the shipper connecting the switch movement with the immediately prior or subsequent line-haul movement.	
<b>ITEM 13</b>		EXCEPTION 2 - The provisions of this paragraph will not apply to shipments of Coal, Coke (the direct product of Coal), or Iron Ore, or when special charges are in effect on heavy duty flat cars that bear mechanical designations "FG," "FW," "FM," or "FD."	
<b>DEMURRAGE AND STORAGE RULES AND CHARGES</b>		EXCEPTION 3 - The provisions of this paragraph will not apply when ordinary equipment is ordered and other than ordinary equipment is furnished at carrier's convenience.	
Freight transported under this tariff, in addition to rates named herein, will be subject to the current rules and charges named in Freight Tariff RIC 6004-Series, supplements thereto or reissues thereof. (See Exceptions 1 & 2)			
EXCEPTION 1 - Where switching service is performed on traffic moving under line-haul rates which are subject to special detention charges and rules, the charges provided in this tariff will be subject to the same detention charges and rules as applicable in connection with the line-haul rates, and provisions of Freight Tariff RIC 6004-Series, will not apply.			
EXCEPTION 2 - Loaded or empty private cars held on railroad tracks under constructive placement will be subject to demurrage charges as provided in Section 1 of Freight Tariff RIC 6004-Series after expiration of forty-eight (48) hours free time until such time car(s) is placed on private tracks, or orders are received whereby such car(s) is removed from railroad tracks. (Free time to be computed from the first 7:00 AM after constructive placement. For the purpose of computing free time, Saturday, Sundays and holidays (see Item 525-Series, FT RIC 6004) to be excluded.)			
For explanation of terms and explanation of abbreviations and reference marks, see last page of tariff.
